

The Beach

Across

2. Use this with your spade to make a Sandcastle.
3. They only walk sideways.
6. Catch them with a net or a rod.
10. Just your feet in the water.
11. You can eat this from a cone.
12. This warns boats that there are rocks nearby.
13. Make sure you put your rubbish in here at the end of the day and don't leave it on the beach.

Down

1. Good to fly on a blowy day.
2. Where the sand meets the sea.
4. You might find Crabs, Anenomes and Limpets here.
5. A packed lunch on the beach.
7. What Mussels, Oysters and Hermit Crabs live in.
8. It is important to wear this so you do not burn.
9. A seaside plant.
